

School Reported TCAP Achievement Data for 2006

An exemplary school example.

Star Academy Charter School (TCAP Reading Grade 3)

STAR Academy Charter School (TCAP Math Grade 3)

"This is most exciting because (the) majority of our third grade students **started below grade level.** The faculty and staff worked hard with the students and the results are outstanding! We met AYP in both math and reading." Dr. Kia L. Young, Principal, STAR Academy Charter School
